DETAILED ACTION

1. This action is in response to the amendment filed on June 23, 2008. Claims 1-2, 4-11 and 13-20 are pending and have been considered below.

Allowable Subject Matter

2. Claims 1-2, 4-11 and 13-20 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record Awater et al. discloses a system and method for detecting inter carrier symbol interference in an OFDM system, the system implements the boundary correction based on the comparison of correlation values from first and second correlators that generate correlation values, by correlating signals from first symbol to signal from previous symbol for first correlation and correlating signals from first symbol and third symbol signals where third signal is next to first signal.
4. The prior art of record Awater et al. fails to disclose or teach that the system for detecting interference and adjusting the boundary based on correlation result, multiplying a conjugate value of first signal by a corresponding second signal to generate product that is used for first correlation value calculation based on a summation, where for generating the first correlation the second symbol is previous to first symbol; and the second correlation is generated based on a summation of product that is generated by multiplying conjugate of first signal to corresponding third signal, and the second correlation is generated based on a third symbol next to the first symbol; also it would not have been obvious to a person of ordinary skill in the art at the

Art Unit: 2611

time of invention to calculate the correlation values for boundary correction and to detect interference by calculation first and second correlation values as claimed.

Therefore, rendering the claims allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
